Outline

- Magic & Humor of Popular Reaction to Evidence;
- Investigation is OVER! Like it or not!
- Investigator has fled the country!
- State of the Union;
- What now?

Magic & Humor

- Who in here has never heard of Super NanoThermite?
- Therefore, I will not bore you with a long presentation of the plethora of evidence that disprove the WDC-MSM Conspiracy Theory.
- But I will present sufficient evidence in the way WDC-MSM would like you to process it.
- It is ridiculous for us to treat this tyrannous act as if any in government cared to investigate it.
- We should not dignify them by pretending they would investigate if shown sufficient evidence!

Humor of **Facts** versus **Opinions**

Did you know Super Nano-Thermite was discovered in all the dust samples taken at the WTC?

What's that?

It's a new steel cutting incendiary developed in 2000 at Los Alamos and Lawrence Livermore U.S. military labs.

19 hijackers could not wire the WTC with that or put it in all the dust samples.

Well Sir, you are entitled to your opinion, but I think America is the greatest nation on earth!

Analyze That!

- Newly Informed (NI) sense immediately that they are **no longer entitled to their "opinion"** about what happened at the WTC and how it happened.
- NI want to **maintain their right to believe what they want**, and they sense the only way to maintain such a right is to **support the right of the Informed to believe what they want**.
- So NI attempt to **change fact of Informed into an opinion**.
- But Informed didn't tell NI an opinion, Informed had a fact which **destroyed all rights to a false opinion**.
- Reaction of NI proves **they know what that fact really means** even if they deny it and try to cling to their false opinion.
- NI are really **never the same** even if they act unchanged.
- **Keep telling them the facts!**

Why Reject Facts & Hold False Opinions

Opinion Good

- No change needed;
- Call my Congressmen;
- Socially acceptable;
- Constant reinforcement & encouragement;
- At one with government;
- Send the Troops.

Facts Bad

- Habits don't work;
- Don't know what to do;
- Don't know who to trust;
- Could lose friends;
- Could lose job;
- Could lose family;
- Could be arrested or worse;
- **Who ya gonna call?**

How the Conspirators want you to Process

Facts discovered about 9/11/01

All the Facts must support the assertion that
there were only 19 Cave Dwelling
“Radical, Islamo-fascist, Muslim Terrorists”
that “brought America to its knees on
9/11/01.”

How Folks are Required to Think of 9/11/01

- Read Email received from angry patriot
- Signed “Mad as Hell!”

The Previous List of 7 Facts is
Sufficient to Dismiss Forever
the Washington DC (WDC) -
Main Stream Media (MSM)
Conspiracy Theory about what
happened on 9/11/01 and who
did it.

Since all these earth shaking facts are well known in America today, we know there will be no evidence found and no movement big enough to force a Federal Investigation of the events of 9/11/01 because **the Feds are Complicit** in this continuing conspiracy against the Muslim Middle East and American Liberty and property at home.

The Investigation is **OVER!**

- The 7 Earth Shaking Facts and the network of conspirators have been discovered at the price of personal injury of the individual investigators.
- These Facts Resulted in no initiation of any government investigation.
- An Official Federal Investigation is over having never commenced.

Investigator, Discovering Who Did It, Fled the Country!

- Investigative Journalist, **Christopher Bollyn**, conducted his own investigation into the 9/11/01 Attacks and found a network of people holding the same political and religious ideology in the US government that control all the stations necessary to Attack America and blame it on those innocent of the crime and get away with it.
- During his investigation he was physically attacked in the front yard of his home in Chicago by police and FBI and charged & convicted of resisting arrest.
- While awaiting for his sentencing hearing he took his family and fled to Sweden.
- The following slide illustrates this network within the Federal Government that he has now exposed in his book ***Solving 9-11 The Deception That Changed The World:***

The Natural Conclusion:

- Bollyn says “**Solving 9-11 Ends The War**” and that was the theme of his first book tour of America earlier this year appearing on this BNB stage.
- Bollyn now says “**The 9-11 Truth Movement Begins the Revolution.**” Why?
- Bollyn and I agree that there is no lawful union government in America today to investigate the 9/11/01 Tyranny Attack.
- In order to investigate a criminal conspiracy of this magnitude and nature you need a lawful government with fully operational and opposing branches of government.
- **A dissolved unlawful government complicit in the crime will never ever investigate themselves.**

REVOLUTION Versus Pursuit of Lawful Government in Absence thereof

Revolution

- Revolution is the act of Rebels overthrowing a lawful government.
- Revolution is an unlawful act against the people.
- Dissolution is caused by Rebels within a lawful government.

Pursuit of Lawful Government

- Seeking Lawful government when there is none is a God given right.
- It is impossible for people to overthrow a dissolved government as it is already overthrown by the Rebels within it.

I am sure Bollyn means the 9-11 Truth Movement Starts the Pursuit of Lawful government where there is none due to dissolution caused by rebels within the dissolved government.

Why the Continuing 9-11 Conspiracy will never be Investigated:

It is as Bollyn says, and I agree, a **continuing conspiracy** that did not stop at 9/11/01 but has continued to this very day and is intended to go on as **the cornerstone** of the 21st Century World Domination by Global Bankers Lead by Zionist Jews.

Purpose & Design of the On-Going 9-11-01 Conspiracy:

- **Demolish** two Obsolete, half empty, condemned asbestos filled Skyscrapers, the **Twin Towers**;
- **Create** Foundation for a “New **Grand Strategy** to assure America’s superiority in the world.”
- Enter the Middle East militarily to **protect Israel**;
- Enter the Middle East militarily to **control** the global **Oil Supply**;
- **Protect** and continue US fraudulent paper currency as the world’s **Oil Purchasing Currency**;
- **Establish an American Police State** to protect the dissolved unlawful federal government from the enslaved people of America.

9-11-01 Conspiracy Continues

Anything done in the pursuit of the original design and purpose of the 9-11-01 Terrorist Conspiracy by anyone reactivates all the crimes done and reconnects and makes all the players singularly and jointly liable for all the damage done in pursuit of said purpose.

The Conspirators will never
Investigate themselves!

Duh....

What were we thinking?

Are we going to keep asking the guilty
to investigate themselves?

Now for the Good News!

The State of the Union is

Dissolved.

How the Union is Dissolved

Any Constitutional State or Union is dissolved at the moment that it alters its constitutional form by law without the required permission of the people by amendment.

Partial List of Constitutional Provisions Altered by Law without Amendments

1. All Federal Gun Laws violate 2nd Amendment;
2. Creation of Federal Reserve Bank to print paper money. Violates Art. 1 Sec. 10 & 10th Amendment;
3. All Currency laws permitting use of paper debt notes as currency instead of gold and silver coin. Violates Art. 1 Sec. 10;
4. Patriot Act in violation of the 4th and 5th Amendment;
5. Direct Federal Taxes on wages of individuals of the several states without apportionment. Violates Art. 1 Sec. 2 & 9;
6. The Present War commenced by public law without a Declaration of War. Violates Art. 1 Sec. 8;
7. Bank Bailouts violate the 10th Amendment;
8. Membership in the United Nations government Violates 10th Amend.

**It only takes one alteration
without amendment to
dissolve**

There are multitudes of mere violation of the Constitution, but they are not unto Dissolution and may be cured by operation of the courts and branches of government of a lawful state.

However, any Alteration of any Constitutional Provision by Law without the required Amendment does **DISSOLVE** the government.

Great **Breach of Trust** also Dissolves a Government

An obvious conspiracy the size of 9/11/01 against the people, killing them and destroying their property and preventing any government investigation of it dissolves the government.

Effect of Dissolution:

- Removes all Authority of Every Office and Department and Employee & Agent & Contractor of the dissolved government.
- Dissolution cannot be cured by any act of the dissolved government.
- A dissolved government loses its authority to act in any capacity including to correct itself or re-authorize itself.
- It also frees all citizens from any moral or legal duty to conform to any provision of the Constitution or any law ever made by the dissolved government.
- Dissolution frees the citizens to make new lawful government for the protection of their property consisting of their life, liberty and possessions.
- The people may morally and lawfully resist any force used by the dissolved government with force if necessary.

Solution is Limited because of DISSOLUTION

- Lawful government cannot be made by electing new people to sit in dissolved offices.
- A dissolved court cannot lawfully rule on any matter brought before it finding anything, much less its own authority.
- A dissolved legislature cannot lawfully pass or repeal any law, much less one re-authorizing itself.
- A dissolved executive branch cannot lawfully investigate or enforce any law, or issue any E.O. re-authorizing itself.
- In the Absence of lawful government a new lawful government may be formed by the people for the protection of their property consisting of life, liberty, and possessions.

A dark, stylized architectural rendering of a modern building interior. The scene is dominated by two large, perforated metal walls that create a grid-like pattern. In the center, a circular light fixture with a blue glow is visible. The overall atmosphere is futuristic and industrial.

What Now?

Create Lawful Government

- Declare the Observation of the Dissolution of the United States of America.
- Draft & Ratify New Constitution for the Union of American Sovereign States.

What does Declaration of Observation of Dissolution do?

- Declares the **present reality** of the dissolved condition of the old union under the old constitution.
- Declares the undeniable, irrefutable, compelling **evidence why** the old union is dissolved.
- Declares the **effect of the dissolution** and the rights of the people to form new lawful government for their protection.
- **Seeks the support** of the rest of the world to not assist the dissolved government in oppressing the people in their God given right to pursue lawful government.
- Establishes irrefutable reason why there can be **no loyal states** that remain in the dissolved union.
- Proves the **innocence of the people** and the **culpability of the tyrants** and rebels in government in its overthrow and dissolution.

Declaration of Dissolution **Does not**

1. Dissolve the dissolved union but merely declares the observation of it;
2. Establish a new government, but rather declares the right to form a new one without threat or harm from dissolved government.

Draft & Ratify New Union Constitution

- No one in the dissolved federal government can participate in the making of a Re-Constitution;
- Re-Constitution sets forth the **Principles of Property** that all lawful governments are based upon;
- Re-Constitution also sets the **penalty for violation of said principles.**

10 Main Principles of Property

- The **citizens are sovereign** over the government they create for their own benefit by their delegated authority **limited to the protection of property**, not by the transfer of their properties to the state;
- The **sole purpose** of government is the **protection of the property** (life, liberty, and possessions) of the citizens;
- People leave the state of nature to **join in societies to secure their property**, not to knowingly or unknowingly sacrifice their property for the betterment of the whole of society or the world;
- No person ought to, nor has a right or authority to invade or harm the property of another – **Natural Law of Torts**;
- No person can delegate, give, or confer upon another more authority than they have in themselves – **Law of Delegated Authority**;
- Therefore, no government can lawfully acquire a right, immunity, or prerogative to invade or harm the property of another without recourse in the courts – **Sovereign Immunity for government not possible**;

Further, this is why no government may lawfully **make** war but only **declare** a war already in existence by proving injury without cause;

- The **perversion of justice** and the cheating of a person in the courts results in the **continuation of a state of war** with the injured party and if conducted **against a class** of citizens or all citizens with regard to the law of the land the result is **complete dissolution** of the union and the state; **9/11 Tyranny Attack**.
- All **law is the collective individual right** of each citizen to defend their lives, liberties and possessions with force;
- The Re-Constitution of a new union government **must reflect** these fundamental principles and should strengthen them when amended;
- All political issues can be lawfully, legally and morally determined by the application of these founding principles now abandoned in favor of false global economic propaganda.

Thousands of **Groups** Wanting Lawful Government on One of Two Issues **Should Unite** to Fix It All at One Time.
